Upon allotment of the new Shares, the Trustee will hold them on trust for the Participating Employees and will transfer them to the Participating Employees at no cost to the Participating Employees upon all vesting conditions under the relevant Scheme having been satisfied.

Reference is made to the three separate announcements of the Company all dated 28 December 2012 in relation to the adoption of the respective Schemes by the Board on 28 December 2012 and the announcement of the Company dated 24 February 2015 in relation to Change of Trustee for Employees' Share Match Scheme and Employees' Share Performance Schemes.

For the purpose of the Deferred Annual Bonus Scheme, the Executive Performance Share Scheme and the Performance Share Scheme for Scheme Year 2017, the Board on 12 July 2017 resolved to issue and allot 27,057,124 new Shares under the General Mandate as the Scheme Shares to the Trustee at the nominal par value pursuant to the terms of each of the respective Schemes. * *For identification purposes only*

Immediately prior to the issue of 27,057,124 new Shares as the Scheme Shares, the unutilised portion of the General Mandate is 5,245,138,319 shares which the Board may issue and allot. As only 27,057,124 new Shares are to be issued and allotted under the General Mandate as the Scheme Shares, which is less than the unutilised portion of the General Mandate, such issue and allotment is not subject to further Shareholders' approval.

The Group will arrange the subscription money for the allotment of 27,057,124 new Scheme Shares at HK\$0.39 per Share (which is the same as the closing price of the Shares as at 30 December 2016) from the Group's internal resources. Upon allotment of the new Scheme Shares, the Trustee will hold them on trust for the Participating Employees and will transfer them to the Participating Employees at no cost to the Participating Employees upon all vesting conditions specified by the Board having been satisfied in accordance with the Scheme Rules of each of the respective Schemes.

To the best of the Directors' knowledge, information and belief having made all reasonable enquiries, the Trustee and all the Participating Employees enrolling and participating in the respective Schemes for Scheme Year 2017 and their respective ultimate beneficial owners (if applicable and if any) are third parties independent of the Company and are not connected persons of the Company.

The 27,057,124 new Scheme Shares to be issued and allotted by the Company to the Trustee represent approximately (a) 0.516% of the maximum number of Shares that can be issued and allotted under the General Mandate; (b) 0.103% of the existing issued share capital of the Company as at the date of this announcement; and (c) 0.103% of the issued share capital of the Company as enlarged by the issue and allotment of the new Scheme Shares.

The new Scheme Shares, when issued and fully paid, will rank pari passu among themselves and with those Shares in issue, with the right to receive all dividends and other distributions declared, made or paid on or after the date of allotment.

Application will be made by the Company to the Stock Exchange for granting of the listing of, and permission to deal in, the aggregate 27,057,124 new Scheme Shares.
